 - b. If two teams split mutual games and tie for first place, there will be a one game play-off, the winner of which will be the 1st place seed and the other the 2nd place seed. If bad weather occurs or if both coaches mutually agree, seeding may be determined by a coin flip. If a coin flip is not mutually agreed upon, the teams will play for seeding.
 2. Where seeding cannot be determined by head-to-head competition, the seeding will be determined by draw and a one-game tournament play will determine the 1st, 2nd, 3rd, and 4th place seed. If bad weather occurs or if both coaches mutually agree, seeding may be determined by a coin flip. If a coin flip is not mutually agreed upon, the teams will play for seeding.
